

# Big & Tall High Back Chair

## Comfortable + Robust

# Endurance

The Endurance Chair is built to outperform. Designed with heavy-duty durability in mind, this chair features anti-microbial PU upholstery for a clean and professional finish, while a reinforced mechanism, reinforced arms, and a sturdy base provide unmatched stability and support for up to 400 pounds. Enhanced with extra foam in the lumbar area and a double-layered cushion, the Endurance Chair delivers superior comfort for long hours at work. Perfect for those who demand strength, safety, and long-lasting quality from their office seating.
